Privacy Notice: Enhanced Access

Primary Care Networks (PCNs) are a key part of the NHS Long Term Plan, with all general practices being required to be in a network. This practice is part of the Heritage Primary Care Network.

Heritage PCN is made up of a number GP Practices created to work collaboratively to ensure the health care system within our area works effectively by sharing knowledge and resources.

As part of the PCN Network Contract DES, Heritage PCN will be delivering an Enhanced Access service that offers wider access to routine primary care services between the hours of 6:30-8pm on Weekdays and 9am-5pm on Saturdays.

The following services will be provided as part of Enhanced Access:

- All core Primary Care services
- Same Day GP Bookings
- Advance GP Bookings
- Minor Illness
- Wound Care
- Screening e.g. Smears
- Immunisation e.g. Childhood immunisations, Flu
- Long-Term Conditions e.g. Diabetes prevention, COPD
- Health and Wellbeing e.g. Health checks, Baby checks
- Sexual Health e.g. Contraceptive advice

All registered patients have availability of the appointment slots across the network.

Access will be provided to NHS111 to make use of any unused 'on the same day' slots within the service hours.

To enable us to provide our Enhanced Access Service to you, GPs from other local practices will at times have access to your full GP record but only when providing direct care to you.

People who have access to your information will only normally have access to that which they need to fulfil their roles, for instance admin staff will normally only see your name, address, contact details, appointment history and registration details in order to book appointments, the practice nurses will normally have access to your immunisation, treatment, significant active and important past histories, your allergies and relevant recent contacts whilst the GP you see or speak to will normally have access to everything in your record.

Greenwich PCN Alliance Ltd will be providing all organisational support for this service. Note this does not include the provision of clinical hours, treatment or staff.
